

Floorboy XL 450

The Floorboy XL450 is an eccentric-rotating , single-disc machine, especially suited for cleaning and maintenance of all hard floorings like natural-stone, designer-floors, tiles and wooden-flooring; a.o. application of maintenance oil.

With the optionally available scrubbing-brush and fluid-container, the Floorboy XL450 becomes the perfect machine for wet-cleaning of heavily polluted surfaces.

The machine is not only suitable for domestic users but certainly the ideal machine for your professional rental business.

Because of its eccentric movement, the Floorboy XL450 is very easy to be handled.

The machine comes standard equipped with a driving-disc suitable for all 12" and 13" pads and abrasives.
