POWERFUL PLANETARY SINGLE-DISC MACHINE FOR PROFESSIONAL FLOOR MAINTENANCE

The Floorboy Quattro is a professional planetary single-disc machine designed for sanding, intermediate sanding, cleaning, polishing, and maintaining a wide variety of floor types. Thanks to its combination of a powerful motor, high machine weight, and planetary drive system, the machine delivers outstanding performance with a consistent sanding pattern and a high-quality finish. The planetary disc system ensures stable and comfortable operation, making the machine suitable for a wide range of maintenance, renovation, and finishing applications.

The Floorboy Quattro is supplied as standard with a drive plate and can be expanded with a variety of accessories depending on the application, including additional weights, sanding discs, pads, brushes, and lighting.

Features

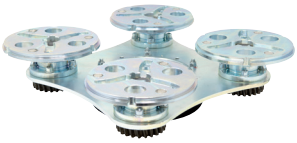

- *Planetary drive system for a consistent sanding pattern*
- *High machine weight for increased sanding pressure*
- *Powerful performance for professional use*
- *Suitable for a wide range of floor types*
- *Versatile for sanding, cleaning, and polishing applications*
- *Modular design with a wide range of accessories*
- *Excellent value for money*
- *Comfortable and stable operation*
